

My office and the Laramie County Fire Districts always get lots of phone calls related to fireworks and their use. The primary question that we get is related to where can fireworks be used? The following is a list of property ownership and if fireworks can be used.

United States Department of Agriculture, U.S. Forest Service lands:

- **No** Fireworks allowed

United States Department of Interior, Bureau of Land Management:

- **No** Fireworks allowed

State of Wyoming administered lands:

- **No** Fireworks allowed

State of Wyoming, Game and Fish administered lands:

- **No** Fireworks allowed

Within the City of Cheyenne limits:

- **No** Fireworks allowed

U.S. Fish and Wildlife Service Lands:

- **No** Fireworks or Possession of Fireworks allowed

Privately owned land within Laramie County:

- Fireworks are allowed unless fire restrictions have been put in place by the Laramie County Commissioners.

Town of Burns, Pine Bluffs, Albin

- **No ordinances prohibiting use, Contact local officials**

Please use all safety recommendations when using fireworks. This should include having some method of fire extinguishment available.
