By my signature and under penalty of perjury, I hereby certify that I am the owner of the referenced property, or the owner's authorized agent. I have read and examined this application and know the same to be true and correct. All provisions or laws and ordinances governing this type of work will be complied with, whether specified herein or not. The issuance of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction, or guarantee issuance of a well or septic permit. This permit will become null and void if work or construction authorized is not commenced within 180 days, unless prior authorization has been issued by this office.

It is the Owner/Agent's responsibility to ensure that all required inspections have passed prior to moving forward with the next phase of construction. It is the Owner/Agent's responsibility to read all plan review comments and ask questions if something is unclear. All approved plans must be onsite for all inspections. Failure to comply with these requirements may result in a \$50 fine.
