PUBLIC GATHERING

INCREASES RISK OF INFECTION

Laramie County policies limit public gathering

The State of Wyoming and the CDC recommend reducing public gathering. Laramie County has instituted procedures do so. **In-person conduct of business is significantly reduced or eliminated**. All County agencies are directing the public to avoid in-person conduct of County business and each provide multiple ways to conduct business remotely. *Each agency has different procedures-including "BY APPOINTMENT ONLY" in many cases.* Please read carefully and/or contact as directed, for any agency you intend to use.

Laramie County is committed to continue serving the community, however, due to the rapid developments relating to the COVID-19 virus, these safety measures are implemented to protect our employees as well as the community.

We are encouraging our community to follow the guidelines outlined by the Center for Disease Control (CDC) to minimize the spread and risks of COVID-19 by practicing social distancing, remaining home if you are feeling ill or if you are in an "at risk" category. Please utilize the online services and/or mail in services for the following services and/or use the contact methods provided:
