How To Use This Form

This version of the Contribution and Expenditure (C&E) Campaign Finance Report is a fillable PDF form that includes additional features to help streamline the process of completing county and municipal C&E reports. Information can be typed, itemization pages added as needed, totals calculated with the click of a button, and e-signatures affixed. The completed form can then be saved and emailed to your County Clerk or printed and mailed/hand delivered.

To use this form, Adobe Acrobat Pro, Acrobat Standard or Acrobat Reader are required. If you do not have one of these programs installed, Acrobat Reader is available for free. After downloading this file, open and view it with Acrobat, not your Internet browser.

Adding Itemization Pages

After filling out the first page of the C&E form, you can add itemization pages that correspond to the transactions you need to itemize. To do this, select the appropriate 'Add' button, as shown to the right.

IMPORTANT: Itemization pages cannot be deleted, so only add pages that you require for itemization.

The screenshot shows a blue 'Calculate' button with a calculator icon. To its right is the 'Itemization Pages' section with columns 'Add' and 'Total'. There are three rows, each with a dollar sign, a line for input, and a green plus button. The first row shows '0.00' and '0'. A tooltip points to the plus button, stating 'Adds an itemization page for individual contributions.' The second and third rows also show '0.00' and '0'.

After confirmation, an itemization page will be added to your report further down the document. **Added pages will appear in an order that corresponds to the list on Section 5 of the first page of the report.** For example, if you add an Expenditure page and then later add an Individual Contribution page, you will find the Individual Contribution page appears above the Expenditure page.

Calculating Totals

Fill out information relating to your transactions in the itemization page you have added, as shown in the screenshot below.

Contributions – Individuals			
Name	Address (City, State, Zip)	Date	Amount
John Doe	123 Test Street	1/10/24	\$ 125.00

The screenshot shows the 'Calculate' button and 'Itemization Pages' section after a calculation. The 'Add' column now shows a green plus button and the 'Total' column shows '1'. The first row in the itemization table now shows '\$ 125.00'.

At any point while filling out itemized transactions, you may calculate the totals by selecting the 'Calculate' button from the first page, as shown at left. The calculation may take a moment, so please be patient!

IMPORTANT: You must remember to select the 'Calculate' button after finishing with your itemizations, otherwise the totals that display on the first page will be incorrect.

Affixing Signatures

After you have filled all required fields, itemized your transactions, and calculated final totals, you can affix an e-signature by selecting the signature fields at the bottom of Page 1 of the form, as shown at right. If you have not previously configured an e-signature, clicking the signature field will also allow you to do that. *Note: Some counties may require you to provide an ink signature instead of an e-signature. If this applies to you, print out your completed C&E form and affix signatures by hand.*

The screenshot shows two fields at the bottom of the form. The first is a blue box labeled 'Chairman Signature' with a cursor pointing to it. Below it is a grey box labeled 'Unsigned signature field (Click to sign)'. To the right of these is a box labeled 'Date'.

With all of that completed, save the PDF. Then, either email the file to your county clerk or print it and mail or hand deliver the physical copy.
