S-A BUDGET MESSAGE W.S. 16-12-403 (c)

The budget for the LCFD #3 requires the maximum three mill tax levy and motor vehicle fees.

The overall expenditures reflect a significant decrease due to the fact that the new fire station has been completed. \$50,000 has been allocated to landscape the ground surrounding the station and installing an automated sprinkler system. The size of the new station will also increase the required utilities. The new facility has also caused their insurance premiums to go up and have increased that amount to \$15,000. Another large expense will be paying the principal and interest on the new station in the amount of \$239,000.

The board plans on spending nearly \$340,000 for additional trucks, an air trailer, bunker gears, monitors, thermal imaging camera, pagers, etc., to expand, replace and upgrade current equipment that is aging out. Since some of the equipment is older, they expect that there will be more repairs. They also expect to spend another \$45,000 to replace hoses, SCBA's, and fire-fighting tools. They have several new members and would like to do more training opportunities this year which could cost up to \$5,000.

S-B RESERVE DESCRIPTION

No reserves have been designated for FY24. The previous designated reserves were used for the new fire station that was completed in FY 2023.
