Put your eyes at ease with VSP LightCare

Why UV and Blue Light Coverage?

Even if you don't wear prescription glasses, an annual eye exam is an easy and cost-effective way to take care of your eyes and overall health.

With VSP LightCare™, you can use your frame and lens benefit to get non-prescription eyewear from your VSP® network doctor. Sunglasses or blue light filtering glasses may be just what you're looking for.

KEEP YOUR EYES PROTECTED OUTDOORS AND IN:

Always wear sunglasses outdoors. Protect your eyes from the sun's ultraviolet rays that can damage your corneas and cause eye-related diseases like cataracts. 100% UVA and UVB protection is the best choice for your sunglasses.¹ Wear blue light filtering glasses indoors to combat digital eye strain. Digital screens and fluorescent lighting emit blue light that can contribute headaches, blurred vision, and sore eyes—all possible symptoms of digital eyestrain.

Hearing loss is growing in the workplace

Like vision loss, hearing loss can have a huge impact on productivity and overall quality of life. Unfortunately, 38 million Americans need hearing aids, 70% of the people with hearing loss don't treat it, and only 30% seek treatment. And the high cost of hearing aids is a major factor keeping people from addressing their hearing loss.

Ninety-six percent of customers surveyed would recommend TruHearing to their friends and family.²

More than just great pricing

TruHearing also provides members with:

- One year of follow-up visits for fittings, adjustments, and cleanings
- A 60-day trial
- Three-year manufacturer warranty for repairs and one-time loss and damage replacement
- 80 free batteries per hearing aid on all non-rechargeable aids

Plus, members get:

- Access to a national network of more than 7,000 hearing healthcare providers
- Straightforward, nationally fixed pricing on a wide selection of the latest brand-name hearing aids
- High-quality, low-cost batteries delivered to your door

Best of all, if your organization already offers a hearing aid allowance, members can combine it with TruHearing prices to reduce their out-of-pocket expense even more!

Over-the-counter hearing aids are also available through phone or online orders.³

Here's how it works:

Contact TruHearing.
Members and their family call **877.396.7194** and mention VSP.
