

LARAMIE COUNTY GOVERNMENT

TITLE Remote Access	APPROVAL DATE 08/15/1995
SECTION Computer Systems	REVISION DATE 12/20/2016

Remote Access may only be configured and implemented by Laramie County IT after verifying the need and insuring proper security. Attempting to remotely connect to Laramie County resources through the internet or attaching wireless access points or other devices to the internal network will not be tolerated.

Laramie County supports BYOD “Bring Your Own Device” and will help accomplish this for each user that has an approved need and only when proper security can be accomplished. However, Laramie County IT makes no guarantee that non County equipment will work with our electronic technology and takes no responsibility or liability for any electronic device that may fail or lose personal information while in the possession of County IT or is functioning as a BYOD solution when it fails.
