FOR IMMEDIATE RELEASE:

Laramie County Inmates to be offered In-Person Programs

The Laramie County Sheriff's Office will be offering in-person programs for inmates starting next week. We have completed background checks and briefings for almost twenty volunteers to teach classes. As of now, our programs include Narcotics Anonymous, Alcoholics Anonymous, Religious Services, Anger Management, Relapse Prevention, Fresh Start Journaling, and quilting.

Our list of programs keeps growing as volunteers come and offer their services. Starting February, we'll also be offering Resume Writing Workshop, Resume Writing Tips, Interview Skill Workshop, Mock Interviews and Overcoming Barriers. We are still taking volunteer applications for Domestic Violence and additional programs still to come.

Our hope is to give individuals the help and skills they need for successful reentry into our community.

Riding for the BRAND as one team to fight crime!
